

Maulden Netball Club

Kit Policy 2024/25

Purpose of this policy:

Is to provide guidance for parents and club officials in obtaining, providing, replacing, and looking after club kit and to form a reference point for those joining the club for the first time.

What is kit and when is it issued?

We strongly believe that the wearing of kit by our players encourages team spirit and pride in representing Maulden Netball Club. It is also useful for coaches, buddies, or tournament/league officials to help easily identify our players in competitions or match situations. Our club colours are navy blue, light blue and white, and all kit has the Maulden Netball Club emblem.

We ask that kit is worn only whilst playing matches or training for Maulden Netball Club and that it should not be used at any other time without permission from the club. Full kit **MUST** be worn for all Maulden Netball Club matches.

All kit provided by the club will remain the property of Maulden Netball Club.

All kit **MUST** be returned to the club upon your child leaving.

Replacement Kit

We expect that all kit provided by the club is kept clean and in good repair and that the cost of any replacement kit incurred through loss or damage by mistreatment or neglect is paid for by the club member concerned. Parents and players will be expected to notify the club of any loss or damage as soon as possible.

Sponsorship:

From time to time, the club is fortunate to receive sponsorship from local businesses or parental support within a team to fund the purchase of new kit. We encourage coaches benefiting from such

donations to include the name of their sponsor on their kit and decide, in consultation with their players, what items of additional kit they would like. Sponsorship donations may be supplemented by a parental contribution to buy additional items of kit; in cases where this might cause financial hardship, the Committee has discretion to assist with funding provided they are alerted to potential parental difficulty. In all cases where sponsorship is involved, the secretary will arrange for a letter of thanks to be issued to the sponsor and ensure wherever possible that photographs of items of kit are sent in recognition of the generosity of the sponsor.

The club has no say in when or how sponsorship might be offered by an individual or organisation.

Grant applications:

From time to time, the club may apply to organisations for help towards buying new kit.
