Be Safe - A young person's guide to staying safe in Netball

Netball is a great game for young people; you get to keep fit, have fun and make new friends through teamwork.

Your Netball should always be enjoyable. While you are playing Netball, whether during or after a match, in a tournament or at club training, no one should ever make you feel unhappy or uncomfortable. This includes your coaches, the umpires, other players or people watching.

You can tell if something is wrong if someone:

- constantly teases you, shouts at you or calls you names
- threatens, hits, kicks or punches you
- touches you or does anything in a way that makes you feel uncomfortable
- makes suggestive remarks or tries to pressure you into doing something you do not want to do
- damages or steals your belongings
- does anything that makes you feel lonely, worried, unsafe, hurt, embarrassed or uncomfortable

What to do if you feel worried, upset or uncomfortable about something

If you play in a Netball club, there should be an adult who is a Club Safeguarding Officer. Their role is to make sure the club is safe for young people, and to help you if you have any worries. ***(The Safeguarding Officer for Maulden Netball Club is Anna Tiana)***

- If you feel unhappy or uncomfortable about something that is happening, you should tell your parents or carers, or you can tell the Club Safeguarding Officer who is there to help
- If you are unable to speak to the Club Safeguarding Officer or your club doesn't have one, you should tell an adult you trust or, if this is difficult, you could ask one of your friends to speak to an adult for you

And remember - Netball should be fun, you should feel safe and enjoy your netball. If you are unhappy or uncomfortable about something, do not keep quiet about it, and always tell someone you trust. Do not give up until someone helps you, and you feel safe.

Things you can do to Be Safe in Netball:

- If something is worrying you, tell someone you trust, so they can help you
- Trust your instincts about the people you meet
- Avoid being alone or with just one other person
- If your parents or carers cannot take you to a match or training, travel with a friend, and avoid traveling in someone else's car by yourself. Always make sure your parents or carers know what your travel arrangements are
- Make your coach aware if your parent/guardian are going to be/are late collecting you from training or a match
- Avoid going into other people's homes by yourself
- Carry a mobile phone with you, and make sure you have enough credit
